P-14 Government Model Auto Pistol

The P14 is the first pistol in a series 3 (others including the P14, P15, and the P16) made from Para-Ordnance, a new rival with the famous Mestic Munitions company. The pistol is high-quality and reliable, and features a new system that allows the feel of firing a revolver, perfect for first time auto pistol users. The P15 and P16 pistols are soon to be available on the market, and Para-Ordnance promises these new pistols to be excellent quality.
