

RPGGamer.org Weapons D6 / Heraali PP9i Compact Pistol

Heraali PP9i Compact Pistol

After the success of their PP7 handgun, Heraali introduced a slightly upgraded model dubbed the PP9i. The PP9i, overall, was much more reliable than the PP7 and included a much simpler loading mechanism. To keep sales costs on par with the original PP7, the PP9i was not designed to be used in conjunction with any standard attachments such as a silencer or scope.
