

Weapons D6 / Mestic Munitions Viper XP

Viper XP Sidearm

The Viper XP is a smaller slugthrower that has been issued as a standard sidearm to Mestic Munitions' security forces and sold in limited numbers on the open market as a cheaper and more powerful alternative to such popular blasters as BlasTech's DL-18.

The Viper XP comes ready to fit a silencer, but does not come standard with it like the Punisher 10mm. For a small additional fee (50 credits), Mestic includes it's universal pistol silencer and a pair of extra clips.
