

Weapons D6 / Sawed-Off Bantha Gun

Sawed-Off Bantha Gun

A sawed-off EG-1 is perhaps one of the most powerful hand-held weapons found anywhere in the galaxy. Some bounty hunters, pirates, and street thugs have been known to carry them, only the most insane of those actually using them. A stock EG-1 is strong enough to blast a large hole through someone, but the sawed-off version is powerful enough to blast a victim in bloody chunks.
