

Mestic Munitions CK-1A

The Mestic Munitions Crowd Killer 1A is a weapon favored by mercenaries and small scale bounty hunters that need that first shot to take someone out but find that they don't have time to reload to cut someone else down.

This shotgun sports an overunder style with an added kick, the bottom barrel has a pump built into it so you can get keep the rounds coming without having to reload the top barrel. The fold in stock and combat grips also make it more 'fashionable' amongst gun dealers.
