

Weapons D6 / Gand slugthrower

Gand Slugthrower

This gun is made exclusively by the creme-de-la-creme brotherhood of Gands known only as the Quinx. It's astounding damage has tempted more than one bounty hunter and pirate who studies gand lore. They found out that these guns are loaded about 99% of the time, and in the hands of a Gand about 90% of the time. Unfortunately, there have so far only been ten of these guns ever made, owned by the Guildmaster and nine of his most trusted subordinates. So good luck getting one.
