Equipment D6 / Gungan Personal Energy Shi

Gungan Personal Energy Shield

Model: Gungan Small Liquid Energy Shield
Type: Personal ray-shield
Scale: Character
Skill: Personal shields (melee parry: shields, perhaps, as well?)
Cost: Not for sale - (equivalent Invisible market value: 10,500 credits)
Availability: 4
Game Notes: This shield provides 6D character scale protection against energy weapons. It has enough power to last 1 hour when activated. It cannot be recharged - once used, the entire power system must be replaced, which is usually more expensive than the cost of the shield.
