Equipment D20 / Verdant Technologies x8 Co

VerdanTech x8 Combat Shield

The Verdant technologies x8 Energy Shield is a state of the art defensive unit. A metal cylinder projects a circle of forcefield like energy out in front of it so that it acts as the handle of an energy shield. The x8 is a Kite Shield variant and covers the avaerage person from boot-tops to chin when standing up straight. It's useful for deflecting things like blaster fire in a combat situation.
