Equipment D20 / RanCorp Neo-X8 Individual

RanCorp Intruder Individual Field Disruptor

This device is small and can bbe clipped onto the users belt. It is only about the size of a glowrod. It Generates a field which pushes open an area of a forcefield. This device , sometimes used in conjunction with a holo-shroud, has helped many commandos penetrate enemy bases, target installations, or even criminal locations for a sting. The devices are also favored by top credit burglars and assassins.
