game notes: a complication when firing this weapon results in the premature detonation of the shell, this will cause the net to backfire and wrap around the rifle as well as the firer. Also the net when it hits its target or targets it will stick with a holding strength of 4D

This rifle is a fairly bulky rifle that must be fired two handed. It fires a shell that blows apart upon exiting the barrel releasing an expanding stun net set to do a certain amount of damage to subdue the target. This weapon was originally meant to capture dangerous animals alive.
