Characters D6 / Fashion

Fashion
Time Taken: Varies
Specializations: Location where each individual fashions are: Coruscant, Naboo, Death Star

This skill represents one's knowledge of fashion. It can be used as for when bargaining with someone over clothes, if you have enough knowledge to know if the clothing is in style. The Difficulty range increases as the area that the fashion is in becomes more unfamiliar to your character (for example, someone who has lived in Coruscant all their life would make an Easy roll, while it would be near Heroic if they were to find fashion for a planet like Tatooine).
