The Force D6 / Force Shield

Force Shield

Control Difficulty: Difficult.
Sense Difficulty: Difficult, modified by proximity and relationship
Alter Difficulty: Target's Control roll
Required Powers: Affect Mind, Dim Other's Senses, Magnify Senses, Projective Telepathy, Shift Sense, Sense Force
This power may be kept up
Effect: This power allows one force user 'shield' another from the force. The user places a barrier between the target and the force. This does not strip a target of force use, emrely blocks it for as long as the shield is raised. It is initialy resited with control and any round the target wishes to he ma take an action to try and break free with his control vs. the user's alter. As long as the shield remains up the target may not use the force. He is not restricted in any other way.
