The Force D6 / Greater Force Shield

Greater Force Shield

Sense Difficulty: Moderate
Alter Difficulty: Difficult
Required Powers: Absorb/Dissipate Energy, Concentration, Lesser Force Shield, Magnify Senses, Telekinesis
Effect: This power allows the Jedi to sorround his body with a Force-generated shield. The shield can be used to repel energy and physical matter away from the Jedi's body, down to the molecular level.
The shield acts as a STR+3D armor to all energy and physical attacks made against the Jedi, including non-directional attacks such as gas clouds and grenade blasts. The shield is quite strong, and is easily enough to protect the Jedi under most circumstances. However, while this shield is up, no other life forms may enter the shield without taking 3D damage (armor does not increase their resist in this instance).
