DC*	Environment and Emotional State
Up to 5	few or no distractions and completely meditative.
6 - 10	relaxed and small distractions .
11 - 15	mildly emotional and highly distracted
16 - 20	emotional and near chaos
21 +	overcome with emotion and the area is pure chaos.

*Add +5 to the difficulty for each Dark Side Point the Jedi has.

Note: Characters who have turned to the Dark Side are unable to use this power. This power may be kept up as long as the character takes no other actions during the rounds.
