The Force D6 / Lesser Force Bubble

Lesser Force Bubble

Control Difficulty: Easy
Alter Difficulty: Moderate
Required Powers: Lesser Force Shield, Telekinesis
Effect: Forms a small force bubble around the user, a meter in diameter, that resists all attempts to penetrate it with a strength of 3D. However, due to the nature of this bubble, if the user doesn't lower it after about an hour after he raises it, he will start to ashphyxiate (assuming that he breathes, that is.)
