Planets D6 / Firrerre

Firrerre

The world was peaceful until Vader descended upon it. He took the Firrerreos Rillao and Hethrir and trained them under himself as Dark Jedis. Hethrir took to the Dark Side, but Rillao did not. She ran away with her unborn child, and was not found for some time. Meanwhile, Hethrir took thousands of Firrerreos as slaves and had the rest killed by an incurable virus. Now is is a run down once-civilized rock.
