Starships D6 / Mk82HD Free-Fall Bomb

Mk82HD Free-Fall Bomb

Model: Mestic Munitions Mk82HD Snakeye
Type: High-drag iron bomb
Scale: Speeder
Cost: 1,100 credits
Blast Radius: 25 meters
Damage: 4D+2

The Snakeye version of the Mk82 has drag fins which open upon release to rapidly decelerate the bomb. This causes the bombs to hit well behind the plane, allowing a safe egress from a low drop. This bomb is otherwise the same as the Mk82.
