Starships D20 / HattMark Industries Miniaturi

Mini ME-F2

This is the first commercially produced starfighter on the Mini ME line. It is not designed for atmospheric use, and it is not recommended to be used for such under any circumstances, as there are presently no guarantees as to effectiveness in an atmosphere. HattMark Industries cannot be held accountable for damage to systems, destruction of spacecraft, spontaneous combustion, or loss of control due to use in an atmospheric situation.
