Equipment D6 / Colonial Pressuresuit

Colonial Pressuresuit

Model: Colonial Warrior Pressuresuit
Type: G-force resistant pilot undersuit.
Cost: N/A (Granted to Colnial pilts as part of their issued gear)
Availability: 1
Game Notes: A pressure suit, worn beneath the Colonial Warrior uniform, allows a pilot to survive the g-forces that can be achieved flying a Viper (Lost Planet of the Gods, part I).

NOTES:
-Athena is seen wearing a pressure suit in "Saga of a Star World", even though she was only flying in a shuttle with Adama shortly before the Battle of Cimtar.
-Perhaps not coincidentally, only females are ever seen in pressure suits.
-In any of the Viper write-ups posted on the site, if it says 'grav-suit' or something similar, I mean pressuresuit instead.
