Background on Abbey Miller

? ???????? Abbey dresses like a typical girl her age, but she doesn't act like one. She's confident and street-smart, and clearly has done a lot of her own parenting. Probing and a bit over-aggressive, she's the daughter of Mark Miller; her mother is dead. She forces her way into Elektra 's life, and introduces Elektra to her father, a piece of matchmaking that works out well. Not very feminine at all, but with athletic grace and a well-hidden beauty, Abby goes on the run with her father when Elektra balks at killing them both, and becomes their protector instead. In fact, Abby (like her father) is concealing a big secret: she's well aware that she's a target of The Hand, and has trained with Stick to protect her father and herself. A gifted young martial artist, Abby assists Elektra in her war against Kirigi and his assassins.

??????????? Kirigi and The Order of the Hand send Elektra on a mission to kill the widower Mark Miller and his daughter Abby. Elektra, becomes friendly with the two Miller's and allies herself with him and defends them both from Kirigi's ninja's and other assassins. But is there more to the Millers than meets the eye?

Quote: “You really kill people for a living?” **Roleplaying Abey Miller**

??????????? Elektra is a loner, living in the shadows, constantly on the move and unknown even to those who hire her. She follows her own morale code. Even though she is one of the world's best assassins.
