**Background on the Head Cheerleader, Dead Cheerleader**

It's the night before the big football game between two rival area high schools, and someone has a game plan of their own. They are killing off the cheerleaders, as well as anyone else who gets in their way. Who is the guilty party? Is the murderer a boyfriend, an ex-boyfriend, the local bum with a mysterious past, the creepy football coach, or perhaps the good ol' boy sheriff who may know more than he cares to let on? Just what is the motive behind the bizarre murders? And just what is the motive behind the bizarre murder?

And so she was raised from the dead. Fortunately, she had only been dead a scant few minutes when she awoke as a Zombie, and she looks very much alive at a glance.

The exact nature of the mystic energies which reanimated her remain unknown. It is possible that the Powers That Be are somehow responsible or some vengeance deity.

Quote: “I'm sexy, I'm cute, I'm popular to boot. I'm bitchin', great hair. The boys all love to stare. I'm wanted, I'm hot, I'm everything your not. I'm pretty, I'm cool I dominate this school. Who am I, just guess. Guys want to touch my chest. I'm rockin', I smile and many think I'm vile. I'm flyin', I jump. You can look but don't you hump, whoo. I'm major, I roar I swear I'm not a whore. We cheer and we lead. We act like we're on speed. Hate us 'cause we're beautiful. Well, we don't like you either.

We're cheerleaders. We are cheerleaders.” **Roleplaying the Head Cheerleader, Dead Cheerleader**

Sure your dead. Now what? So being a Zombie is not new to you, but neither do you have years of monster hunting experience to fall back on.

You are not overjoyed at being back, the fighting and killing. Though you do like the Zombie package, the enhanced strength, endurance and all the rest is good, but there are some major drawbacks.
