Background on Keith Grady

Keith Grady was a cat burglar before he was recruited by Os and shown that he was an Element of Metal. If Os hadn't shown up when he did he would have had to kill someone to stop going to prison.

He was trained by Os to try and stop Slate and the other Shadowmen from getting their hands on the Tablet. The Tablet was a page from the Book of Life, it has existed longer than anything on Earth. If Slate could decipher it he would be able to open the Vortex, if that happened the world would see the apocalypse.

Unfortunately for the latest recruits, Os has killed the Element of Earth. This happened right before the White Warrior was able to convert him to her cause.

Quote: “.” **Roleplaying Keith Grady**

Keith Grady may still be a thief, but he gives most of what he steals to either the orphanage he grew up in or to other charities. The orphanage would have closed now from lack of funding if Keith hadn't been making donations to it. He enjoys the thrill and the challenge he gets when stealing.
