Background on Kimberly Hart

In her early life, Hart became interested in gymnastics and, after training for years, decided to aim for the Olympics. She eventually reached Class One, the highest status in gymnastics and participated in competitions hosted both in the United States and in Europe, but was forced to abandon her career as a professional gymnast due to a severe injury.

Once ditzy and materialistic, Kimberly has evolved into a strong, confident, and caring person. A kind and compassionate soul, Kim cares a great deal about her friends, and will not take kindly to anyone messing with them.

Quote: “Gotta love it.” **Roleplaying Kimberly Hart**

Once ditzy and materialistic, Kimberly has evolved into a strong, confident, and caring person. A kind and compassionate soul, Kim cares a great deal about her friends, and will not take kindly to anyone messing with them.

It had been foretold...

"Into each generation a Slayer is born. One girl in all the world, a Chosen One. One born with the strength and skill to fight the vampires, to stop the spread of their evil and the swell of their numbers."
