Background on Leanne Stormcloud

Orphaned at the age of five, Leanne grew up as a homeless thief on the streets of Cairo.

There he lead a government sponsored Initiative team under difficult circumstances, which included being sent to hunt down former team-mates. He eventually left the team, handing the leadership over to Havok, and currently serves as a member of the support team to the Council.

Quote: “It’s nothing but showy gypsy stuff.” **Roleplaying Leanne Stormcloud**

Raven is a man who until recently had turned his back on both his mystical and Indian heritages. He is almost always cold and stern, presenting a foreboding face to the world. The one exception is his love for Leanne Stormcloud. He is a man of morals, however and when he found out what the government planned to do to with his devices, he put an end to it. He finds it hard to be a follower as his high intelligence should put him in charge. Raven is capable of casting a version of the Gypsy Shape-Shifting Spell on page 19 of Monster Smackdown to turn into a raven.
