Background on Michael Fu

Michael Fu worked in witness protection before Os contacted him and showed him that he was an Element of Water. If Os hadn't shown up when he did, he would have been gunned down when he took a witness back to her home.

He was trained by Os to try and stop Slate and the other Shadowmen from getting their hands on the Tablet. The Tablet was a page from the Book of Life, it has existed longer than anything on Earth. If Slate could decipher it he would be able to open the Vortex, if that happened the world would see the apocalypse.

Unfortunately for the latest recruits, Os has killed the Element of Earth. This happened right before the White Warrior was able to convert him to her cause.

Michael feels responsible that his sister was killed by the Gangster Ho and he was unable to protect her.

Quote: “I didn't just hear the story, I felt it. I saw it in my mind.” **Roleplaying Michael Fu**

Michael Fu doesn't like that his witnesses are corrupt, it makes him edgy and irritable.
