Dark Side Influence
Sense Surroundings
Control Pain
Senses Force Potential

Weapons: 2 (red) Lightsabers 5D

Equipment: Black pants, black tunic, black boots, black gloves, black Sith robes

Charcter Bio - Darth Vademous was born Corran Skywalker. He is the older brother of Darth Venainous. Both brothers believe that the true calling for the Skywalker family lineage should be on the path of the dark side. Both teach their sons that and hope that their sons will carry on their legacy as Sith Lords themselves.He also is the cousin of Antraes Fel who is the head of the current Jedi Council. Darth Vademous is a direct descendant of Cade Skywalker, Kol Skywalker, Ben Skywalker, Luke Skywalker, and Anakin Skywalker. Vademous father was Human and his mother was Kiffar, he never knew his father as he was killed by a Jedi when Vademous was only 8 years old. Ever since then Darth Vademous and his brother have had a deep hatred for the Jedi. Darth Vademous would even kill his own couisn too if need be since his cousin sits on the Jedi Council. Darth Vademous has trained his younger brother and together they have trained many more in the ways of the
dark side. Serveal of the ones they have trained have formed a Sith Council along with Darth Vademous and Darth Venainous with Darth Vademous as the head of the council. Darth Vademous had mastered all forms of Lightsaber combat but his favorite is the Jar'Kai style as he usually weilds two lightsabers. Darth Vademous rules with his wife as King and Queen on Darth Vademous' home world of Naboo. The Sith are now looking to start a war against the Jedi in hopes of wiping out the Jedi and ruling the galaxy.
