Starships D6 / GTW-83 Lamprey

GTW-83 Lamprey

The GTW-83 Lamprey cannon is a second-generation Leech gun. It drains the energy systems of its target, depleting the reserves available to the target's Primary weapons, shields, and engines. Coupled with a weapon that pummels both hull and shields, the Lamprey is highly effective against enemy fighters and bombers.

Model: GTW-83 Lamprey
Type: Anti Energy Blaster
Scale: Starfighter
Skill: Starship Gunnery
Cost: 8,000
Fire Rate: 1
Fire Control: 1D+2
