Background on Ray Jackson

Ray Jackson was a private soldier before Os contacted him and showed him that he was an Element of Fire. He had been found guilty by a military court of stealing a jeep, taken a swing at a sergeant and several other things too. If Os hadn't shown up when he did he would have been hunted down and killed by a bigoted army officer.

He was trained by Os to try and stop Slate and the other Shadowmen from getting their hands on the Tablet. The Tablet was a page from the Book of Life, it has existed longer than anything on Earth. If Slate could decipher it he would be able to open the Vortex, if that happened the world would see the apocalypse.

Unfortunately for the latest recruits, Os has killed the Element of Earth. This happened right before the White Warrior was able to convert him to her cause.

Ray's father owns a multi-million dollar empire, but has disinherited his son.

Quote: “Who the hell are you, man?” **Roleplaying Ray Jackson**

Ray Jackson sacrificed everything to defend his country, but he is volatile and can easily be provoked.
