Background on the Oden Tal Runaway

Danielle Brightstar is the granddaughter of the late Chief and Shaman, Black Eagle of the Cheyenne Horse Clan. She was born to his Daughter Peg and her husband William Lonestar of the Eagle Clan. Somehow, she was blessed with mystical powers.

One night she saw a symbolic vision of her parents' deaths. Shortly thereafter, her parents disappeared during a trip to the mountains. Brightstar believed them to have been killed, and her dreams were haunted thereafter by a vision of a demonic bear, which she believed to be responsible for their deaths. In fact, Brightstar's parents had been transformed into the demonic bear by an as yet unrevealed cause. The bear would have worked the same transformation upon Brightstar, but her grandfather, the chief and shaman Black Eagle, used spells to keep the demonic bear away from her.

Now, though, Dani has decided to stay with the team for a while, proving her worth as both a field leader and battle tactician.

Quote: "It's nothing but showy gypsy stuff." **Roleplaying the Oden Tal Runaway**

Dani has always been a strong individual. In her first encounter, she had the courage to speak against and defy Quentin Travers in order to proclaim her pride in her Heritage. She was at first untrusting of anyone outside of her tribe, but she learned to make new friends and gained much experience and humility when she was one of the leaders of a Watchers Council commando team. She showed her conviction when she refused to follow Nigel and has proven her worth as a force for the side of the good, going on to help build her own team and to work as an undercover agent after her disassociation with the Watchers. She may have quit the team, but her spirit and dedication never left.
