Background on Sam Winchester

Sam Winchester has done his best to escape his family's eerie history. Unlike his older brother, Dean, Sam rejected their father's obsessive quest to uncover the evil forces that claimed the life of the boys' mother. Putting as much distance as possible between himself and his family, Sam left home right after high school and went away to college. His new life includes a beautiful and loving girlfriend and plans to enter law school.

Dean arrives on Sam's doorstep with the news that their father has vanished, Sam has no choice but to put his personal plans on hold and join Dean on the road. After four years apart, the reunited brothers are getting to know each other again, and their familiar sibling rivalries are never far from the surface.

Sam tries to return to college life but finds that the malevolent force that claimed his mother has now taken his girlfriend in the same unthinkable way.

Quote: “Look, you're my brother, and I'd die for you, but there are some things I need to keep to myself.” **Roleplaying Sam Winchester**

Fuelled by rage, sorrow and guilt, over his girlfriends death, Sam suddenly understands his father's obsession. Like Dean, Sam is now totally committed to the hunt for answers and, ultimately, for revenge.
