Earthdawn / Hound

Name: Hound
LP: 75
Description: Hound?s are a Theran creation, born of alchemy and blood magic hounds are fusion of dog and man, a beast that can run and track like a dog, with canine obedience, but with the ability to communicate and use hands like a man. They normally are very obedient to their Theran masters, but quite a few have gone rogue forming their own packs, normally led by an alpha male. They are not usually as smart as a man, but have a great deal of instincts. They are used for hunting and guard work frequently.
