Background on Terri Flores

Terri Flores was born in New York, New York USA. Her parents were fairly ordinary, her mother was a school teacher and her father was a lawyer.

Terri Flores was kidnapped
Using a complex ritual that bound his essence to that of his sacrifice and his demon master to open a portal and let his master through into this reality.
the drugs that were used to make her unconscious wore off sooner than expected.
She grabbed the sacrificial sword and cut the demon sorcerer's head off, just as the demonic master started to work his way through the portal, which closed and decapitated him. So now Terri has these new demonic powers as a result of mixing her essence with demons.

Terri Flores has many of a demons abilities and powers, though she is immortal she can be killed if she is badly injured.

Quote: “I'm not used to telling everyone I meet where I've been the last ten years.” **Roleplaying Terri Flores**

Terri Flores is very focused on her mission to destroy demons. She can be emotional and if she looses her temper, the world better step aside.
