Background John Winchester

John Winchester left high school to join the Marine Corps, eventually attaining the rank of corporal. Serving in Vietnam, he received many medals. After leaving the service, he got a job as a mechanic, and fell in love with Mary Campbell, whom he would later marry.

Following the mysterious death of his wife years later, John Winchester investigated the incident and learned of the existence of the supernatural. His desire to find and kill the being that took Mary's life led him to become a hunter of supernatural creatures. He took his sons, Sam and Dean, with him during his travels, but often left them alone in motels for long periods of time during his hunts, leaving Dean with instructions to "shoot first and ask questions later" while watching over Sam, who at first was unaware of his exploits.

Quote: ?Back in 1835, when Halley?s comet was overhead, the same night those men died at the Alamo, they say Samuel Colt made a gun. A special gun. He made it for a hunter - a man like us, only on horseback. The story goes, he made 13 bullets. This hunter used the gun a half dozen times before he disappeared, the gun along with him. Somehow, Daniel got his hands on it. They say... They say this gun can kill anything.? **Roleplaying John Winchester**

John is a tormented soul, motivated by an equal combination of revenge and protecting his sons. Following the death of their mother, Sam and Dean became secondary to John's quest of killing the demon responsible.
