Background Bobby Singer

Salvager and proprietor of Singer Salvage Yard, Bobby Singer was first introduced to the supernatural world when his wife Karen became possessed by a demon. He was uncertain of how to save her, and instead ended up being forced to kill her. Her death prompted him to dedicate his life to hunting supernatural creatures.

Bobby is an old friend of the Winchester family. Sam and Dean Winchester seek his help when their father John is kidnapped by demons. From his extensive collection of supernatural-related literature and resources, Bobby shows the brothers how to create a devil's trap a construction of mystical symbols capable of rendering a demon powerless and later assists in an exorcism.

Quote: ?Just stay outta trouble, you igits.? **Roleplaying Bobby Singer**

Bobby is a "rough but warmhearted" working-class man with the outlook that sometimes there are things that need to be done and they're not fun to do, but they gotta be done anyway.

Though Bobby is fairly content, at least on the surface, to be alone in the world, he slowly comes to be a surrogate father for Sam and Dean. On this relationship, Bobby's concerned about them both, with Dean's sense of self, but there's a sort of undercurrent of worry about Sam. Sam seems to have more of the heart of darkness about him than Dean does. There is this ongoing watchful eye that Bobby's got on Sam. Although he loves each of them like a son, Bobby is willing to allow the brothers to put themselves in harm's way if it is absolutely necessary.
