Background on Arlene Machiavelli

Arlene Machiavelli was born in Boston, Massachusetts. Though she was never called as a Slayer, she has gone on to be a Watcher.

On the day of her wedding, Demons attacked the church killing all that were there. She was “lucky” as she was left for dead in El Paso, Texas, four years ago on the day of her church wedding. Arlene Machiavelli, was discovered by the sheriff in a bloody mess, but though unconscious was still alive as nine others in her wedding party were slaughtered.

El Paso, Texas

Arlene is highly skilled in the art of Tiger-Crane Style and is proficient in the use of the samurai sword.

After taking time to recover from her near death experience, Arlene slowly tracked down the demons one by one and killed them.

Quote: “Bitch, you don't have a future." **Roleplaying Arlene Machiavelli**

Arlene is somewhat spoiled and used to getting her way. She's quite opinionated, and isn't afraid to speak her mind. That being said, among all of the potentials, Arlene was the oldest, most courageous, and best trained. She's very much a budding-leader. Kennedy is almost fearless, and on those occasions where she's actually afraid, she won't let that fear prevent her from acting. Kennedy came to terms with her sexual preference long ago, and quickly fell for Willow. She loves Willow deeply, and is very devoted and protective of her.

When Willow's spell turned Kennedy into a fully-fledged Slayer, she became a formidable fighter, and arguably the most powerful Slayer out of the group of potentials.
