Anakin is a descendant of Roan Fel, Marasiah Fel, Jagged Fel, Soontir Fel, Syal Fel(Antilles), Jania Solo, Han Solo, Leia Solo. Anakin is also the 2nd cousin of Darth Vademous and Darth Venainous. Anakin had his left hand cut off durning a lightsaber fight with a Sith, so he currently wears a glove over the cybernetic hand. Anakin is trained as a Jedi Knight by the Cerean Jedi Master Bo-Ro Fallus.
Ever since Anakin had his hand cut off it seems that sometimes he has seemed to be a bit darker, some have spoken and have feared that Anakin Fel may one day turn to the dark side and be just as evil as Darth Vader was.
As a young boy, Anakin Fel was thoughtful and intelligent. He was friendly and easily got along with others. He has a special place in his heart for his mother. Anakin is naturally honest and despised lying and deception, and especially hated politics, correctly considering most politicians to be greedy and self-conceited. Sometimes Anakin has had a few arguments with his father and his younger brother on about things should be and how the Force determines ones path.
