Background on the Crow

Shelly and Eric were very much in love. But no one gets married on Halloween, not in Detroit. Shelly is raped and beaten by city boss Top Dollar's thugs, only to die 30 hours later in a hospital. Eric is stabbed, shot and thrown out a six story window. A year later death is no longer what it was as Eric Draven, accompanied by a Crow and gifted with new powers and a world of grief and pain, is brought back to life to avenge his love's death. After all, love is forever. And some of us Believe in Angels.

Quote: “Suddenly, I heard a tapping, as if someone gently rapping, rapping at my chamber door. You heard me rapping, right?” **Roleplaying the Crow**

It is not clear how much Eric is still Eric Draven and how much of him is The Crow, the dark avenger returned from the dead who exists for the sole purpose of revenge for his and Shelly's murders.
