Rocket Dart Launchers (located in kneepads): (Malkite Them Far 3D, FEX-M3 4D, molecular acid, stun agent, or explosive tip ammo)

Charcter Bio - Akaan Skirata is the younger brother of Kad Skirata and he is the older brother of Adenn Skirata and Verd Skirata. Akaan tries to act like his older brother's bodyguard and

sometimes Kad allows it and sometimes Kad doesn't. Akaan means war in the Mandalorian language.
Akaan Skirata is described as being tall and cadaverous. He seemed to be sociopathic, showing no empathy or sympathy to his fellow sentients. His cold, deliberate and calculated demeanor attributed to his proficiency in both hand-to-hand combat and interrogation.
Akaan Skirata was actually not born a Skirata but inside was adpoted into the Skirata family by Kad's father when Akaan was only 3.
