Filters out most harmful particles from the air or seal with two hours of air

Charcter Bio - Janx Hokan is currently employed as a bodyguard for the Black Sun Underlord. Described by Hado Gunwalker as a barbarian, Janx was indeed brutal and vicious in his methods. Janx was also narcissistic and egomaniacal, some would even say that he was a little bit insane. Janx likes his current job as the Black Sun pays him quite well. Even though he is employed as a bodyguard, Janx will not take a blaster bolt for the Underlord.
