Character Bio - Bo-Ro Fallus is currently a member of the Jedi Council. Bo-Ro trained Anakin Fel in the ways to become a Jedi Knight and sometimes keeps an eye on him for fear of Anakin turning to the dark side. Bo-Ro Fallus has had visions of Anakin Fel turning to the dark side and becoming the next Darth Vader.

Bo-Ro Fallus was a hardened soldier who was noted as being an excellent tactician and combat commander. Regarded as cold and militant by his fellow Jedi, Bo-Ro Fallus always advocated the use of aggressive force in punishing those who disrupted law and order. Nevertheless, Bo-Ro Fallus was loyal to the Jedi Order despite his disagreement with some of their policies and was committed to the stability of the Galactic Alliance. He gained a reputation for never abandoning those in need.
