Charcter Bio - Zaron Kraran is currently a member of the Jedi Council, she is also the newest member.
Zaron Kraran was extremely dedicated to the Jedi Order, and believed in their righteousness to the point of arrogance and fanaticism. She was impatient with dissenters, and took accusations against the Jedi very personally.

Throughout her life, Zaron Kraran formed bonds with her comrades, even those who were supposedly her superiors or lesser in rank. It was said that during her training, many fellow Padawans were quick to do whatever she did, and that others disliked her intensely. She was regarded as a natural leader and a quick learner as well as generous and kind, though beyond this the personality of her early life is largely unknown.
