Charcter Bio - Celess Tordine is currently a member of the Jedi Council. She is one of the most out spoken members of the Council.

Celess Tordine believed, like others, that there was nothing wrong with attachment and relationships. Though she and her fianc? occasionally disagreed on matters, the love they shared was a source of joy for Celess Tordine, and she was adamant in stating that her relationship would not lead her to the dark side. One guiding principle of

Celess Tordine's was to not interfere with others unless they were actively doing harm.
She was also very dedicated to the Jedi way. She could also be stubborn, utterly implacable once her mind had been made up.
