Charcter Bio - Reassi is currently a member of the Jedi Council. He is one of the newest members taking the place of his former master who was killed by the Sith.

With a laid-back and accepting outlook on life, Reassi took to his duties with enthusiasm, often sporting a wide smile when events went his way. With a well-developed sense of humility to go with that sense of humor, Reassi mostly kept a low profile, initially uninterested in the idea of appointment to the Jedi Council.Instead, he believed he would be better suited for the Council of Reconciliation, in line with his view that it was the role of the Jedi to use the power they had been given to ensure the social betterment of those less fortunate.

Despite his radical combat style, and easy-going nature, Reassi was surprisingly conservative on the matter of galactic politics. Reassi was a determined and resourceful Jedi and was dedicated to maintaining peace throughout the Galaxy and defending the honor of the Jedi Code.
