Charcter Bio - Tessek Vakil is currently a member of the Jedi Council. An accomplished swordsman who almost always took a blunt approach.

Tessek Vakil was known among the Jedi for his disinterest in diplomatic niceties; he was frequently blunt and often moved directly to action, fighting first and asking questions later. He was confident in his martial abilities, and his idea of diplomacy thus frequently involved ordering an opponent to stand down or face the consequences.
In spite of this trait, Tessek Vakil was generally considered an excellent Jedi?good enough to gain a seat on the Jedi Council. Tessek Vakil was extremely loyal to the dictates of the Council, and did not doubt its wisdom; he trusted it and its decisions completely and unquestioningly. Despite that,

Tessek Vakil was not a silent assenter on the Council, frequently injecting an observation, suggestion, or objection. Tessek Vakil was moreover a strong believer in the goodness of his fellow Jedi.
