Charcter Bio - Zenex Wan is currently a member of the Jedi Council. He is also the current Battlemaster of the Jedi Order, teaching many others on lightsaber combat.

A wise Jedi Master with an unusual style of teaching, Zenex wan's methods were unorthodox but followed closely with the Jedi teachings. While a follower of the will of the Force, Zenex wan did not cast off all other methods to success believing that many solutions could be found through common sense or common skill, rather then through reliance on the Force's power. Zenex wa was well known for his exceptional courage and he was a skilled tactician and diplomat. Gruff, outspoken. and battle-hardened, Zenex Wan was a great warrior who was noted for his willingness to charge into battle, as well as for his fearlessness, courage, and tenacity.
