Charcter Bio - Cabur Fett is a direct descendant of Boba Fett and Jango Fett. Cabur means protector in the Mandalorian language. He is the son of a Mandalorian Bounty Hunter and a Human Jedi Knight. Cabur's mother on her way back from a mission had crash landed on Mandalore and their she met her soon to be husband and Cabur's father. Cabur's parents soon where married and where deeply in love. When Cabur was about 4 his mother was killed by a Sith, his father in turned killed the Sith. At the age of 12 his father gave him the holocron that his mother had made for him. Cabur learned how to use his Force Ablities from the holocron. When Cabur turned 20 his father was killed by a member of the Death Watch.

Cabur then became a Bounty Hunter and specializes in hunting Force Users and also won't rest until he personally kills every single Death Watch member. When Cabur was 22 he met Mesh'la Tawr and the two fell in love and have both planned on getting married soon. Cabur is the leader of the Bounty Hunting grope called the Fabolus Five which inculdes himself, Mesh'la Tawr, Kahr'corkh, Tyzen Opress, Zalena Vos. He has a security droid always on board his ship to protect it when he is away on missions and such. There is also a protcol droid who does a lot of traslating for the group.

Cabur to most people is a bitter resentful person who won't hold back with things he says and doesn't care if their feelings get hurt. But to the group he is a sweet fun loving caring person who looks out for the others like family. He considers Zalena like a older sister and when they find they time both practice their lightsaber skills with each other. Cabur can speak Basic, Honoghran, Mandalorian, Zabraki, Shyriiwook, Pak Pak, Durese
