Charcter Bio - Tyzen Opress is a Zabrak Bounty Hunter and a member of the Fabolus Five Bounty Hunting Group. He is also the main mechainc and one of the gunners for the ship.

Tyzen is close friends with Kahr'corkh, both saving each other's lifes many times. Tyzen is very loyal to Cabur Fett and the group. Tyzen was a very good mechainc sometimes repairing the ship on the fly.

Tyzen Opress could be vengeful, wanting to inflict pain on those who caused him a great deal of trouble in a hunt or those who themselves inflicted pain indiscriminately. "Tyzen Opress never forgets," he was to known to have said, a vow to track down those bounties that escaped him at first. The bounty hunter was a perfectionist, planning out his hunts beforehand and thereby making each one take longer. He was cold and calculating, and enjoyed it when his prey squirmed, getting a feeling of power from it. During much of his career he is considered more ruthless than Cabur Fett himself. Tyzen can speak Basic, Honoghran, Mandalorian, Zabraki
