Punch	19	18	Bash
Spin Kick	17	28	Bash
Stake	13	18	Slash/stab

(Through the Heart)	10	18	x5 vs. vamps
Sweep Kick	14	9	Bash; Target Prone

Background on Doctor Jekyll and Mister Hyde

Inside the frail body of Dr Jekyll there lurks a monster of unstoppable proportions and unbridled bestial aggression. His name is Mr Hyde.

Eminent London chemist Dr Henry Jekyll spent a good portion of his career analyzing the dual nature of man, searching for the cause of evil within the hearts of men. Believing he had found the key to separating the good and evil elements in man's nature, Jekyll used himself as a guinea pig to prove his theory conclusively.

His theory was, unfortunately, somewhat askew.

Can the fate of England truly rest upon the wide shoulders of such an unstable creature?

Like many weapons, using Dr Jekyll's beast within is a gamble. Mr Hyde is perhaps the strongest thing in human form the world has ever seen. His role in the League is straightforward. smash steel, bash heads and bounce bullets off his rock hard body.

As an incarnation of the brute within us all, Hyde has no guilt, no fear and no compunction against using murderous force to solve even the slightest confrontation. This makes him both a secret weapon to the League and a potential hazard of devastating proportions.

Quote: “No! Hyde'll never use me again.” **Roleplaying Doctor Jekyll and Mister Hyde**

Jekyll now finds himself a slave to Hyde. As Hyde, he is a powerful unstoppable beast who knows what he wants and knows how to get it. As Jekyll, he is the spent shell of a man, wracked with guilt and feelings of incompetence.
