Background on the Owl Totem Warrior

Helena Wayne was born in 1977 to Bruce and Selina Wayne of Los Angeles. Helena was raised in a loving family, nurtured by ancestral wealth and the rich experiences of her adventurer parents. She was educated at the best of schools and vigorously trained to superb athletic prowess (Ex-Jock), even becoming somewhat of a star on the track team. Helena's education progressed in leaps and bounds, finishing college at age 18. Helena followed the family tradition and pursued a law degree. Upon completion of law school, she joined the firm of Cranston and Grayson through connections with Richard Grayson, the former ward of Bruce Wayne.

It has been some seven years since her Mother was stabbed and murdered and her Father disappeared. Helena blames her Father for what happened to her Mother.

Helena’s Father was orphaned at an early age when a demon killed his parents for an artifact they had. This left the young boy the sole heir to a billion dollar fortune. Since his disappearance Helena has been left with many of the benefits of her Father's wealth.

Quote: “I’m the huntress and you’re the prey.” **Roleplaying the Owl Totem Warrior**

Helena's attitude is not the best. She's bitter over how her life changed following her mother's death. She even attends counseling sessions for anger management. As she has been bound to do by a court order for property damage, caused during demon hunting.
