Background on Elle Driver

Elle Driver was born in Chicago, Illinois. Though she was never called as a Slayer, she has gone on to be a Watcher.

On the day of her wedding, Demons attacked the church killing all that were there. She was “lucky” as she was left for dead in El Paso, Texas, four years ago on the day of her church wedding. Elle Driver, was discovered by the sheriff in a bloody mess, but though unconscious was still alive as nine others in her wedding party were slaughtered.

El Paso, Texas.

Elle is highly skilled in the art of Tiger-Crane Style and the use of the samurai sword.

During some past event while fighting demons Elle suffered an injury which cost her, her right eye.

Quote: “That's right. I killed your master." **Roleplaying Elle Driver**

Elle Driver is somewhat spoiled and used to getting her way, something she readily admits. She's quite opinionated, and isn't afraid to speak her mind. Elle is almost fearless, and on those occasions where she's actually afraid, she won't let that fear prevent her from acting.
